AVEDA FREDRIC'S INSTITUTE

Client **Aveda Fredric's Institute** Location **West**

Transforming an old Linen's and Things "white box" into an environment that is welcoming, full service Salon and School was the task Frederic Holz Design to take on. The facility is a hands-on training ground for classrooms, an auditorium, shampoo room and massage area, esthetic stations, pedicure and manicure areas, office space and employee break area. The new environment embodies the quality, image and sustainability customers expect from Aveda while also providing a functional learning facility for the

Location: West Chester, OH

Size: 27,200 Square Feet
